

Coop: A Year of Poultry, Pigs and Parenting
by Michael Perry

From the birth of his baby daughter to chickens, their coops and what pigs will and will not eat exactly, Michael Perry navigates the terrain of his small farm in Wisconsin revealing both the mundane and the glorious. By turns tender and funny and at times downright poetic, Perry works and writes with an appealing sense of gratitude, grace and humor.

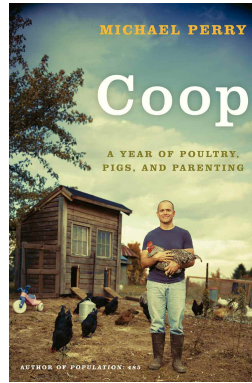

--Aimee Misner Wilson, *The Bookman, Grand Haven MI*
