

Kyle's Island

by Sally Derby

For as far back as Kyle can remember, he spent summers at Gram's cottage on the lake. But this summer is different. Gram died. Dad moved out. And now Mom says they'll have to sell the cottage because they can't afford the upkeep anymore. Even fishing is different. Author Sally Derby takes readers to a small lake in 1970s Michigan, where thirteen-year-old Kyle comes to realize how little we really know about other people – especially the ones we love the most.
